

# RESIDENTIAL CARE & MAINTENANCE

AquaShield™ products are expertly engineered to resist scratches, dents, and the wear and tear of everyday life. Our advanced UV-cured wear layer, enhanced with DiamondGuard™, provides superior stain and dent resistance while ensuring easy maintenance, making it an ideal choice for today's active lifestyles.

To help maintain the beauty and longevity of your floor, please follow the care and maintenance steps outlined below.

Good Practices	Bad Practices
<ul style="list-style-type: none"><li>• Sweep the floor regularly with a soft bristle broom to remove loose dirt and grit.</li><li>• Use only a PH-Neutral cleaner.</li><li>• Wipe the floor with a microfiber cloth or a damp mop.</li><li>• Clean up spills as quickly as possible and rinse with water.</li><li>• Lift and carry the furniture.</li><li>• Use protective pads.</li><li>• Use walk-off mats for extra protection.</li></ul>	<ul style="list-style-type: none"><li>• The use of harsh cleaning chemicals such as bleach.</li><li>• Using steam.</li><li>• Drag, push or pull the furniture across the floor.</li><li>• Using a vacuum with a rotating beater bar.</li><li>• Over saturate the floor with cleaner or water.</li></ul>
